LITERARY NOTES.
Mrs. Lamb's article "America...
Congress of Historical Scholars...
is a great attraction in the February...
Magazine of American History...
ry. It answers the question...
often asked, "What is this...
national association of historians...
and what does it do?" The...
trainings of the theme are unique...
supplementing the pictorial text...
one of which is a group of portraits...
of its six successive presidents...
and another section of the...
whole distinguished body on the...
steps of the national museum at...
Washington. "Recent Historical...
Work in the Colleges and Universities...
of Europe and America," a...
comprehensive and scholarly survey...
by President Charles Kendall...
Adams, LL.D., of Cornell University...
brilliant with information upon...
a popular subject about which...
everyone wishes to learn. "The...
Spirit of Historical Research," by...
James Schouler. "The Fourteenth...
State," by John L. Heaton, is...
more dramatic in character from...
the very nature of the subject...
Vermont having figured as a picturesque...
coquette before slipping its...
willing head into the harness...
of Union. George M. Pavey gives...
interesting data about "Modern...
State Constitutions," which will...
be well worthy of preservation...
The shorter papers are "Washington's...
Conception of America's Future,"...
by Henry Cabot Lodge. "The...
Uses of History," by Rev. John...
Hall, D.D.; "Washingtoniana,"...
by Henry T. Drown; and "America's...
indebtedness to a Fried Chicken,"...
with poem, "Tarleton's Raid," by...
Hon. Horatio King. The portrait of...
the eminent historian, George Bancroft...
forms the frontispiece to the issue...
and an interesting sketch is given...
in the "Portrait of Mrs. James B...
Toler." It is altogether a notably...
rich number. Price \$5 a year...
Published at 743 Broadway, New...
York City.

FOR CONGRESS.
We this week publish the interview...
of Capt. R. P. Cole announcing...
himself a candidate for Congress...
He is a citizen of Henry County...
—was born and raised in our...
midst, and is too well known by...
everyone to need any introduction...
from us. As a citizen he has...
always been public spirited, progressive...
charitable and honorable. As a...
lawyer he has always ably and...
faithfully represented his clients...
He was raised on the farm, and...
is to-day one of the most practical...
and successful farmers in the county...
As a soldier he was true to the...
cause of the Confederacy, from the...
beginning of the war to the close...
As a representative in the legislature...
he always acted from his convictions...
and while differing with many upon...
important issues he so conducted himself...
as to win the confidence of those...
who opposed him. He has twice...
canvassed the district, for the...
illustrious Cleveland, and his...
advocacy of tariff reform was...
strong, clear and convincing. He...
is fully identified with the masses...
on all the living issues of the day...
and especially the building of new...
railroads, thereby increasing the...
avenues to the markets and giving...
competition to the farmers and...
merchants for their freight.

The district has twice honored...
Col. Taylor with a seat in Congress...
and also our present representative...
Hon. B. A. Euloe. Both were good...
men, and without disparagement to...
either, we say that Capt. Cole is...
their equal in ability, devotion to...
principle, and has done as much...
if not more, for his party than...
either of them. He is their equal...
in all that makes a man, and we...
do not doubt that the people will...
recognize his ability and party...
services by rewarding him as they...
have the gentlemen above named...
While we in common with his many...
friends throughout the county, will...
work for his nomination, we will...
cheerfully support the nominee...
let the honor fall where it will...
—Post-Intelligencer.

A continual coughing is very...
annoying to persons sitting near...
you in any kind of a gathering...
besides it is of great damage to...
the throat and lungs, and is...
exceedingly dangerous at this...
season of the year. One-half bottle...
of Beggs' Cherry Cough Syrup will...
relieve any ordinary cough and...
the inferior grades that are thrown...
on the market to sell at enormous...
profits. J. K. Barlow Druggist.

LOST AT SEA.
Next Sunday, Feb. 9 The American...
will print the opening chapters...

Tale of the Wayward Sea," to run...

be published in The Weekly...
American, beginning Feb. 11.

one daughter perished by the flames.

The Hattie Ensley furnace was...
